Cognitive Coachingsm

2010 8-Day Training Opportunity, Tucson Arizona

Session Dates—August 16,17, September 22,23, October 27,28, and January 12,13. Sessions will run from 9:00 am – 4:00 pm) *Participation at 7 of the 8 sessions is necessary for course completion certificate.*

Cognitive Coachingsm is a research-based model, which capitalizes upon and enhances the cognitive processes of teachers and educational leaders.

The Mission of Cognitive Coachingsm is to develop capacities for self-directedness independently and in community. Research indicates that teaching is a complex intellectual activity and that teachers who think at higher levels produce students who are higher achieving, more cooperative and better problem solvers. It is the invisible skills of teaching, and the thinking process that underlie instructional decisions, which produce superior instruction.

How Cognitive Coachingsm will Enhance your Leadership Skills:

- Provide a practical understanding of how to support teacher development to better engage students in learning.
- Deepen awareness of four key SUPPORT FUNCTIONS: Coaching, Collaborating, Consulting and Evaluating
- Enhance skills to build, maintain, and repair TRUST
- Expand personal skills for powerful COMMUNICATION and congruent interactions between values, beliefs and behaviors.
- ENHANCE leadership coaching skills to lead reform efforts and/or change initiatives in your school or district

Cost \$800 (This cost does not include food)
A limited number of partial scholarships available.
